**THE ATLANTA JOURNAL-CONSTITUTION NAMES CLIENT COMMAND
A WINNER OF THE ATLANTA 2018 TOP WORKPLACES AWARD**

Cumming, GA (March 5, 2018) – Client Command, the automotive marketing leader in turning active shoppers™ into real customers, has been awarded a 2018 Top Workplaces honor by The Atlanta Journal-Constitution. The list is based solely on employee feedback gathered through a third-party survey administered by research partner [Energage](#), LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including: alignment, execution, and connection, just to name a few.

“Top Workplaces is more than just recognition,” said [Doug Claffey](#), CEO of Energage. “Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement.”

“The heart of our company lies within helping employees, clients, and the industry reach their greatest potential. It’s so affirming to receive these honors and continue to grow as a service-driven organization,” said Jonathan Lucenay, CEO of Client Command. “These values will continue to drive our growth on a national stage.”

The top workplaces award adds to a growing list of accolades for the company. In 2017 alone the company received Atlanta’s Best Places to Work award and was honored with an Acceleration Award from Dealer Marketing Magazine, as well as placing on the Inc. 5,000 Fastest Growing Companies list for the sixth year in a row.

When asked why she likes working at Client Command, Lori Gunter, an accounting specialist with the company replied, “Client Command is an amazing company to be part of. Awesome team, great culture and leadership that truly cares and invests in their employee’s future. We work hard, and celebrate our victories.”

“Becoming a Top Workplace isn’t something organizations can buy,” Claffey said. “It’s an achievement organizations have worked for and a distinction that gives them a competitive advantage. It’s a big deal.”
